**REQUEST TO WITHDRAW FINALITY OF LAST
OFFICE ACTION AND REQUEST FOR RECONSIDERATION**

Sir:

As discussed in a telephone interview between the undersigned and Examiner Jenkins, the previous Office Action of June 19, 2003 indicated that if claim 13 was amended to include the recitation of claim 25 it would be allowed. This was done and the claim was Finally rejected. No new basis is set forth in the present Office Action as to why the amended claim 13 is now rejected. Further, the Examiner does not respond to Applicants' arguments saying the arguments are moot

in view of the new grounds for rejection. However, the grounds for rejection for many of the claims are the same!

It is respectfully requested that the Examiner reconsider the last rejection, reissue a new non-final Office Action setting forth a better explanation of the basis for the rejection so as to permit applicants to respond and to please respond to applicants' arguments.

Please charge the fee of \$110 for a one-month extension of time or any other deficiency or credit any overpayment in the fees for this Request to our Deposit Account No. 20-0090.

Respectfully submitted,

Barry L. Tummino
